Translation In any case, the German original shall prevail.

DGUV Test Certificate

Name and address of the holder of the certificate: (customer) Tiemann Schutz-Systeme GmbH
Lübbecker Straße 16
32257 Bünde
GERMANY

Product designation: **Wing door (single-wing) / sliding door (single-wing)**

Type: Variante BT01, Econference Basic Line

Testing based on: GS-MF-30:05.2017 Trennende Schutzeinrichtungen (guards)

Test report: 3208-2/17

Further details: The above mentioned door variants are intended to be used as part of the "Econference Basic Line" protective fence system in conjunction with a suitable interlocking device (in terms of DIN EN ISO 14119) for use as movable guards (in terms of DIN EN ISO 14120) to protect persons against reaching hazardous points on machines and systems. The interlocking device itself as well as its mounting accessories are not part of the product and the certificate.

The type tested meets the requirements specified in article 3 para. 1 of the German Product Safety Act. Thus, the type tested also complies with the provisions laid down in the directive 2006/42/EC (**Machinery**). The holder of the certificate is entitled to affix the DGUV Test mark shown overleaf to the products complying with the type tested.

The present certificate including the right to affix the DGUV Test mark is valid until: **2022-09-17**

Further provisions concerning the validity, the extension of the validity and other conditions are laid down in the Rules of Procedure for Testing and Certification.
