Translation In any case, the German original shall prevail.

DGUV Test Certificate

Name and address of the holder of the certificate: (customer) Tiemann Schutz-Systeme GmbH
Lübbecker Straße 16
32257 Bünde
GERMANY

Product designation: **Protective fence system**

Type: Econference Basic Line Absturzsicherung (fall protection)

Testing based on: GS-MF-30:05.2017 Trennende Schutzeinrichtungen (guards)
DIN EN ISO 14122-3:10.2016 Permanent means of access to machinery

Test report: 3264-1/19

Further details: The protective fence system "Basic Line Absturzsicherung" (fall protection) is intended on one hand for use as a fixed guard to protect against reaching hazardous points and on the other hand as protection against accidental falling of persons, for example on stages, platforms or walkways of permanent means of access to machinery.

The type tested meets the requirements specified in article 3 para. 1 of the German Product Safety Act. Thus, the type tested also complies with the provisions laid down in the directive 2006/42/EC (**Machinery**). The holder of the certificate is entitled to affix the DGUV Test mark shown overleaf to the products complying with the type tested.

The present certificate including the right to affix the DGUV Test mark is valid until: **2025-01-07**

Further provisions concerning the validity, the extension of the validity and other conditions are laid down in the Rules of Procedure for Testing and Certification.
